

Our values

We are driven by **equity** and believe everyone can thrive.

We are **brave**, always striving to do the right thing.

We **nurture** people to succeed.

We are **creative**, adapting and evolving to tackle today's challenges.

Purpose: Advance the education, health and wellbeing of our communities.

Mission: Create improved access to life-changing opportunities.

Vision: Enable everyone to achieve their potential, live a fulfilled life and contribute positively to society.
